In The Neighborhood!!

As I'm writing this message, the weather lately has been tremendous for everyone. Whether you are a rancher, farmer, student, etc. the last two or three weeks have been great, weather wise. Hopefully everyone is enjoying it, as well as getting some things done.

Due to circumstances out of our control, we will not be able to launch our new digital tier package until early 2010. This is somewhat of a disappointment to us, however once again, please be patient. We are doing everything under our control to move this process along as quickly as possible. I'm told by our vendors we'll start receiving equipment in early to mid December and if this is the case, I would expect some type of promotion in January and/or February of 2010. We will definitely keep everyone informed of our progress.

We (TRC) are also looking at the possibility of extending our services into the rural areas surrounding the town of Ainsworth. We keep getting requests for our service outside of Ainsworth. Soon, TRC will have the equipment available to extend these services. An aggressive time frame would be the 2<sup>nd</sup> or 3<sup>rd</sup> quarter of 2010.

Once again, if anyone has a question or concern, please feel free to contact me at the Lynch business office dialing 866-569-2666.

To All: Have a Happy Thanksgiving

And a

Very Merry Christmas!!!

Neil Classen

General Manager

*'Tis The Season... The season for winter storms, that is. No power means no cordless phones. In an emergency situation, the most reliable means of communication with emergency personnel is with an old fashioned corded phone and a landline connection. Please make sure you have a corded phone handy at all times. For a chance to win one, please attend our Holiday Open House.*

### Parents of Ainsworth and Long Pine Students

Three River is helping the local organizations with this year's food drive for local families in need. We encourage you to bring cans of vegetables, fruits, soup, meat or fish as well as other non-perishable food items such as pasta, rice, or breakfast cereals to our Holiday Open House.
