In the Neighborhood...

The Fiber To The Home (FTTH) construction is in full swing. Even after a late start and up to this date, 27 rain days, considerable progress has been made in the Lynch exchange. Although the entire Lynch exchange won't be on the new system until sometime in 2010, we hope to have some customers converted to the new fiber by December 31st. Once the Lynch exchange is completed, the Verdel and Springview exchanges respectively will be the next two areas of construction. Therefore, customers in the Springview exchange will probably see a couple of people during the winter months creating staking sheets for the 2010 summer plowing crews.

Many people ask if TRT will be offering video over the fiber system. The answer to that question is: NO...presently we have no video offering available to put on this new fiber system, however we are diligently and continually looking for an affordable video play for our TRT customers. Things that seemed impossible 2 or 3 years ago now can be a reality. Please be patient, we are searching for the right business plan.

Please try to attend one of the upcoming Open Houses in your area. We enjoy meeting and visiting with all of our customers. If you have a burning question that you would like to ask, the Open House would be a good place to ask someone.

If anyone has a question or concern, please feel free to contact me at the Lynch business office at 866-569-2666.

Hope to see you there!

'Tis The Season... The season for winter storms, that is. No power means no cordless phones. In an emergency situation, the most reliable means of communication with emergency personnel is with an old fashioned corded phone and a landline connection. Please make sure you have a corded phone handy at all times. For a chance to win one, please attend our Holiday Open House.

Looking for a Stocking Stuffer?

Three River Telco has gift certificates available for any amount you choose.

Nebraska Telephone Assistance Program and Link Up

The Nebraska Telephone Assistance Program (NTAP) provides for reduced connection and monthly charges for local telephone service to qualifying low-income consumers. In addition, toll blocking is available at no charge to NTAP participants, resulting in reduced or waived security deposits.

Customers may apply for NTAP through the Nebraska Health and Human Services Department.

Help out the hungry in our community.

Three River is helping the local organizations with this year's food drive for local families in need. We encourage you to bring cans of vegetables, fruits, soup, meat or fish as well as other non-perishable food items such as pasta, rice, or breakfast cereals to our Holiday Open House.

Attention Customers: Our quarterly customer newsletter

will now be published online at www.threeriver.net beginning December 1st 2009. December will be the last newsletter you will receive in the mail, after this if you would like a copy of the newsletter mailed to you, please contact us at 866-569-2666 or info@threeriver.net.
